Reading:

My name's Bella. I'm from Oxford. I'm English and I live with my mum, my dad, and my sisters Alex and Mia. We have got a dog and a fish, too.

We live in a big house with a big garden. There are many green trees. There is a lot of snow in winter, too. It's winter now and there is a snowman with a black hat in my garden.

It's December and it's Christmastime. I love my house on Christmas. It's beautiful. There are many candles and stars in the house. There are five stockings on the fireplace and a Christmas tree in the living room, too. There are many red and gold balls and lights in the tree. There are many presents from Santa on Christmas morning under the tree and in the stockings.

This year I want a new pair of trainers, a board game and a film. And some chocolates. They are my favourite sweets. I love Christmas.
